Home & Family Counselling Golf Day 2012

The Grange Golf Club March 8th 2012

Why we need your help.

The 2012 Annual Home & Family Counselling Corporate Golf Day is a key fundraising event in our calendar where we appeal to the business community to help us deliver a vital service to the citizens of Auckland.

For nearly 120 years, Home and Family Counselling has provided community-based counselling services for individuals, couples, families and groups in Auckland on a 'donation only' basis.

People seek counselling for trauma, anxiety, abuse through to relationship difficulties, grief and change, and issues associated with addiction. Home and Family Counselling are there to provide the support they need regardless of age, race, creed or wealth.

As a registered charity we rely heavily on the generosity of donors and supporters to meet the ever-increasing needs of Auckland's growing population. We would love your support for this event so that we can continue to support those who need our help.

The Home & Family Counselling corporate charity golf day will be an 18-hole 4-ball Ambrose competition played at The Grange Golf Course. The day is concluded by a charity auction of sponsored items, the prize giving, and a light meal.

Last year we introduced a corporate challenge where by you can "call out" another business to challenge you and your team on the golf course. If you are interested in "calling out" another business for a head-to-head golf challenge please indicate on the registration form and we will contact them directly to take up the challenge on your behalf. You can "call out" as many businesses as you like with the winner of every challenge to be awarded the bragging rights.
