Home&Family Counselling
Talking it through

$200,000 Future Development Fund

It was so lovely at our Celebration Reunion to reconnect with many people that have been part of the history and achievements of Home & Family Counselling. The stories, photos and reminiscences brought to life past events of a service that has contributed so richly to the Auckland community over the past 117 years.

As Sam Fairhall our chair said: "The testimony to the community value of the Home & Family work is legion. Home and Family has now to build a future geared to a changing world - and that's what we've committed to." BUT WE NEED YOUR HELP TO DO SO.

Our $200,000 **Future Development Fund** will fund four major new developments.

Counselling Outreach to Orewa & Whangaparaoa

Our community survey in this, NZ's fastest growing county, identified the need for our type of counselling service. **$100,000** annually.

Collaborative Parent-Teenage Groups

We are collaborating with Relationship Services, extending our youth work to include a Skill Development group for parents and expanding our other youth groups. **$35,000** annually.

After Hours Counselling Services

Our week-day evenings and Saturday services are hugely successful providing counselling for many whom otherwise we would not reach. **$40,000** annually.

Website Communication

As a 21st century organisation, through our website, Facebook, and Twitter, we are expanding our educative role to a wider audience, to help people help themselves. **$25,000** annually.

We are an organisation on the move, but we can't do it without your support. We invite you to renew your commitment to Home and Family Counselling and build our future together.
